CHARLES “CHUCK” ROBERT STOCKSDALE

March 6, 1955 – June 5, 2014

Providence Junior High Teacher – 1994-95 through 2000

On the morning of June 5, Chuck’s wife, Sheila Stocksdale wrote:.

On March 6, 1955, Charles Robert Stocksdale was born into this world. That was his first birth. Chuck's second birth was when he chose to be baptized and entered the Church in the 1980's. Chuck's third birth came with his stem cell transplant on November 9, 2011, and now he is preparing once again for new life, an Eternal Life with his Creator, Redeemer, and Sanctifying Spirit. His body is shutting down but I'm sure his soul is rejoicing in what God has in store for him.

Our prayers now need to shift from requests for miracles to requests for his fourth birth, his resurrection from his broken body.

On the evening of June 5, Sheila wrote:

At about 5:35 PM, post-transplant day 935 became Eternal Life Day 1. With family and friends surrounding him, Chuck passed peacefully. We miss him terribly already, but we rejoice in his deliverance from so much suffering.

I know that he now knows that there is a place even more comforting than his big green comfy chair.
